

Lab Operations Associate

Be somewhere, be authentic, share your passions, and create change. We are a collaborative workspace changing the face of biotech, and we need more than just scientists to innovate. Our team collaborates across disciplines, relying on our skills to add value to this unique culture, positively impacting the successes of our community.

We're growing as fast as our resident companies which means we need your talents and experiences to help us thrive. Join our team in the position of Lab Operations Associate where you would be reporting to our Lab Manager.

You'll be the best fit for this role if you have a bachelor's degree in a scientific field and/or 2 years of lab experience. Bonus points if your heart is in the lab, but your head isn't in the research.

What your day looks like:

- Collaborate with lab team to maintain and oversee laboratory operations
- Display a high-level of customer service and ensure residents have a positive experience
- Educate residents on equipment and organize training sessions with vendors
- Liaise between the residents, vendors, and our teams - ensuring prompt feedback and action
- Learn the ins and outs of our lab systems

Some "you shoulds" that will enhance your day:

- Love being part of a team while being capable of working independently
- Build on relationships with residents and vendors to expedite resolutions
- Have strong time management, organization, and decision-making skills
- Believe work and having fun can be synonymous
- Enjoy continuously learning, and tackle whatever comes your way

What your first six months will look like:

- Discover the five best ways we make our morning coffee, enrich our team, and find your place
- Immerse yourself in day-to-day laboratory maintenance and operations
- Complete needed trainings on aspects of lab equipment and processes
- Develop an understanding of the LabCentral Community and interact with residents
- Learn our systems and provide feedback on how to do things better
- Continue to build your skills and set goals for personal and professional growth

A snapshot of our benefits:

Premium healthcare and dental package, yearly parking pass or MBTA coverage, long and short-term disability, life insurance, unlimited vacation, and 401(k) package.

Only complete applications will be reviewed. Applications are submitted at LabCentral.org and will include a resume/cover letter specifically discussing your interest in joining the LabCentral team.
